

the supreme nursing bra (STYLE 111)

bravado!
DESIGNS

The Supreme Nursing Bra is a truly specialized bra created specifically for the needs of the fuller-breasted woman. This structured bra offers incredible support and beautiful shape, all without underwire! The Supreme Nursing Bra was designed for maximum comfort and fabulous style, so she'll feel great all day long.

features

fits from a 36F (DDDD) to a 46H! - the Supreme Nursing Bra has been designed to fit and support the unique comfort and shaping needs of a fuller breasted woman.

silky fabric - lightweight fabric is strong yet silky to the touch, clothing glides right over it!

soft cup design - unique soft cup design beautifully supports her breast without underwire.

wide cushioned straps - wide cushioned straps help comfortably distribute weight without digging into shoulders, helping to prevent back, neck and shoulder pain.

signature Bravado B-clips - designed by Bravado because no other nursing clip met our stringent quality requirements! Each B-clip can withstand up to 60 pounds of weight, and will stay closed with her every move. B-clips are easy to open and close with one hand and lay flat under clothing.

full support & no underwire - Provides the same level of support a fuller breasted woman can expect from her underwire bras.

easy access - The pretty key hole detail opens with the nursing clip to provide full access to the breast for easier feeding.
