the original underwear

BIKINI (3001) • THONG (3021) • BRIEF (3041)

The Original Underwear line was created to match the Original Nursing Bra, and to be super-soft and ultra comfy. They have excellent stretch, no uncomfortable seams or elastic, and stay put all day long. Their generous leg openings stretch and are covered with soft binding that doesn't cut into the leg.

features

The Original Underwear is sold in packs of 2 and is offered in the following three styles:

The Original Bikini - designed to nestle comfortably under a pregnant belly, or can be worn after pregnancy

The Original Thong - for those who want an invisible panty line (pregnant or not) and are feeling a little cheeky!

The Original Brief - can be worn either mid-belly, or folded down to create a wide, soft support band under the belly.
